Strengthening Our Community Through Volunteering

Purpose:

Volunteer at hands-on projects like reading to children, leading financial literacy classes for hard-working families, or delivering meals to homebound seniors to positively impact our community

Our Goal:

To connect you with a service project that unites people with local organizational needs in our community

Contact: Tenell Felder at United Way of Kershaw County to choose your service project – tenelfelder@uwkc.com or 432-0951

Come help us change our community one location at a time!
